SUMMARY

MBA candidate (Marketing) at COEP with a CS engineering foundation and 1.5+ years of hands-on experience across product design, e-commerce growth, and enterprise consulting. Combines technical fluency with strategic marketing thinking — comfortable with brand narratives, user research, and data-backed decisions. Seeking a Brand / Growth Marketing internship where I can contribute fast and learn faster.

EXPERIENCE

UI/UX Designer · Portfoliooo · Mumbai (Part-time)

May – Jul 2025

- Built brand identity and design system from scratch — logo, typography, colour system — used across all digital touchpoints.
- Conducted user and competitor research to inform product positioning; Figma prototypes improved onboarding flow clarity in two iteration cycles.

UI/UX Designer → Designer (Full) · SpecsCart · Bury, UK

Jul – Nov 2024

- Revamped 6+ e-commerce pages based on usability testing findings — reduced navigation friction and improved mobile checkout flow.
- Promoted within 3 months from UI/UX to full designer role; owned end-to-end visual assets aligned with performance marketing goals.
- Collaborated directly with founders on brand refresh — new design system cut design-to-development handoff time by ~30%.

Analyst · Deloitte USI · Mumbai

Sep 2023 – Mar 2024

- Delivered Salesforce-based CRM solutions for enterprise clients; led requirement-gathering sessions with stakeholders across 3 business units.
- Mapped end-to-end user workflows and proposed UI improvements that increased platform adoption among client teams.
